

Outdoor

To gain the Outdoor badge you must complete one task from each of A, B and C.

This badge is completed in the outdoors. Show that you have improved your existing skills and learned new skills in outdoor activities.

Range: camping, hiking, canoeing, sailing, and other outdoor activities of Scouts choice.

A. INVESTIGATE

Demonstrate an understanding, appropriate to your level of experience, of the main risks, safety precautions and requirements in your chosen area of an outdoor activity.

3. SKILL

1. Learn and demonstrate a new skill in your chosen outdoor activity.
2. Show your knowledge of your new outdoor activity by organizing and participating in a Patrol talk or Troop activity.

C. ACTIVITY

Over an appropriate period of time, undertake an activity that extends your current level of understanding or ability in your chosen area. Some examples:

1. Prepare the necessary equipment for and undertake a two-night camp.
2. Over a three-month period, organize two hikes for your Patrol or other Scouts.
3. Participate in a canoeing or sailing training program and achieve an appropriate level of competency.
